## Dr. Sun Yat-Sen Classical Chinese Garden

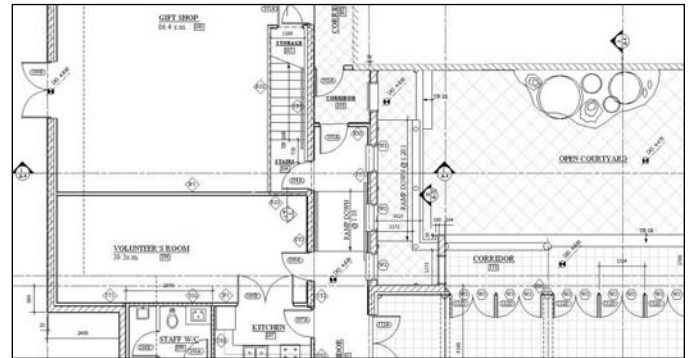

Help support the Dr. Sun Yat-Sen Classical Chinese Garden fulfill its role as a cultural bridge between Chinese and Canadian culture. Our vision is to become a more prominent attraction in drawing visitors to our city and province and a stronger icon for Chinatown, to build cross cultural audiences, and to deliver programs and services to our diverse local community. We need your help to realize this vision.

The present facilities hinder the Garden's ability to provide year 'round programming opportunities and community based partnerships. Without public washrooms or heated

indoor space the Garden can only partly fulfill its vision. With the expansion to the Garden, it will be better able to serve visitors through year round programming for schools and the public, attracting more local residents, creating repeat visitation, fulfilling its mandate, and bringing more business to Chinatown and Vancouver. By increasing the gift shop by double, a greater variety of inventory will be offered. An office with a small storage area will add convenience. Traffic flow will improve and merchandising opportunities will increase adding additional revenue to the upkeep and maintenance of the Classical Chinese Garden.

Become a part of the legacy, strengthening the cultural bridge for generations to come!

The expansion includes:

- Restrooms • Education/Presentation Centre • Volunteer & Meeting Room • Office & Storage • Larger Gift Shop
